

The graphic features the word "Spring" in a large, multi-colored, cursive font. A dashed line starts from the bottom of the 'S', loops around the 'p' and 'r', and ends with a bee at the top right. A small sunflower is positioned above the 'i'. Below "Spring" is the text "CLEAN UP" in a grey, sans-serif font. Underneath that is "Spring Leaf Collection" in a bold, blue, sans-serif font. At the bottom is the date range "3/23/20 — 5/1/20" in a bold, green, sans-serif font.

Spring

CLEAN UP

Spring Leaf Collection

3/23/20 — 5/1/20

The Street Department will collect leaves curbside for residents within the city limits as well as those county residents that pay the yard waste fee. No need to put them in rigid containers during this time; just rake them to the curb.

As you begin cleaning up your yard, please consider the following:

1. Leaf piles should be in a windrow, 12 inches away from the curb line.
2. Avoid blocking bike lanes. If necessary, pile leaves between the curb and sidewalk.
3. Keep leaf piles free of debris and sticks that can clog or damage the leaf vac.
4. Keep catch basins free of leaves to allow for drainage during rain events.
5. Consider trimming trees and bushes that are blocking sidewalks or hanging low over the street. Branches should be at least 8 ft. above the sidewalk and 15 ft. above the street.
